CANCELLATION POLICY

We have made such positive group arrangements that no credits can be given for missed meals or functions. Be aware that the conference begins at 8:45 am Friday, includes two lunches, and the closing session concludes by 4 PM on Saturday afternoon. Early registration is very important, as choices are all subject to availability. These express two-day conferences are designed to lower your cost, reduce your time away from your duties, lower the number of nights required in the hotel and reduce the travel distance for all of our members to attend an N.C.C.A. Conference.

Cancellations for registration and hotel reservations will be honored with a full refund before July 19th, 2023. A 75% refund will be given up to and including September 19, 2023. No refunds for registrations or hotel reservations will be given after September 19th, 2023. Registrations arriving after September 19th, 2023, are non-refundable, and our group room rate is not guaranteed. No credits or refunds will be given for "no-shows."
